# FLOWERTROLLEY

## Professional Flowerrolley

Flower cart large with tilting side rails and puncture-proof tires.

Creative aspects:

- With 2 removable side rails, height 218 mm.
- Plateau of 12mm thick Plywood.
- Oval tube base, lighter and stronger.
- Puncture proof tyres. (foamed polyurethane)

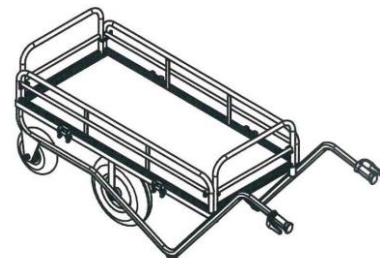

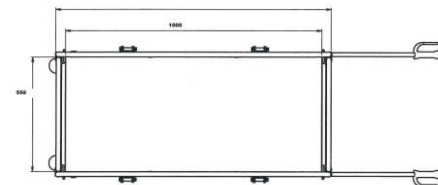

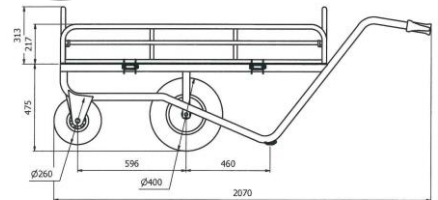

Performance:

- Natural rubber handles with knuckle protection.
- Ergonomic design.
- Handle height according to European standards.
- Finished with durable gray powder coating (no solvents, less harmful to the environment).

Wheels:

- Ø400 and Ø260 mm wheels, puncture-free with pleasant driving characteristics.
- Ø400 wheel with steel rim and double closed ball bearings.
- Ø260 wheel with plastic rim and double closed ball bearings.
- Gray tires, PU foamed Polyurethane, non-marking

Application for the following sectors:  
Nurseries, Garden centers.
