

# WHEELBARROW EASY-RIDER WITH LIFTING EYES

**Very strong construction wheelbarrow with lift eyes and Xtra wide puncture-proof tyre, cap. 80 Liter**

M-115-CT Easy-Rider is a construction wheelbarrow with lifting eyes and Xtra wide puncture-proof tire.

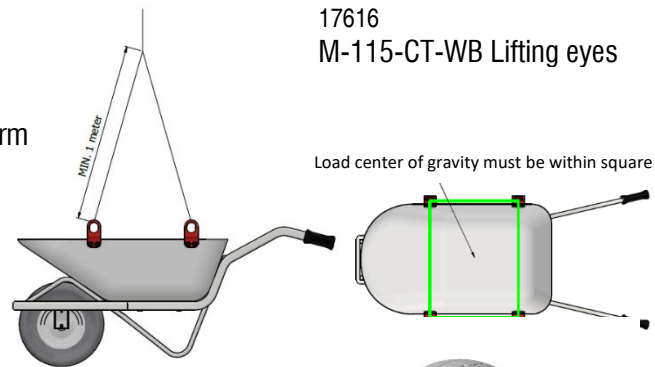

- Stronger - even more ergonomic!
- Less weight at full load.
- Strong rectangular tray (1.2 mm), with tray support.
- Base frame made of oval tube 38x20mm.
- Very strong chassis made of 25 mm round tube.
- Continuous oval tube frame and back under tray.
- Improved balance.
- Steel rim with double closed ball bearings.
- Ergonomic by higher placed handles (610mm), less stoop, easier to lift.
- Barrier-free emptying.
- Ergonomic natural rubber safety handles especially devised to the form of your hand.
- Wear pads to extend the lifetime of the legs.
- Horizontal grip, making the wrist straight and not bent and 4 instead of 2 fingers carry the load.
- Simple and easy to empty because of the lower fronthead.

**Safety instructions:**

- Check the wheelbarrow for damage or excessive rust before lifting.
- Only lift this wheelbarrow using a certified equilateral 4 leg sling with a minimum leg length of 1 metre.
- Only use hooks or shackles in the lifting eyes of the wheelbarrow, do not use a sling.
- The wheelbarrow has a maximum working load of 200kg.
- Do not use the wheelbarrow to lift people.
- Never lift the wheelbarrow over people.
- Modifications to the wheelbarrow are not allowed.
- Do not mount the lifting eyes to other objects.
- Make sure the centre of gravity of the load is located between the lifting eyes.
- The load must be contained within the wheelbarrow tub and may not stick out.
- Replace the maximum work load marking if it has become illegible.
