

M18 HMP700-0

M18™ HYDRAULIC MINI PUMP 700 BAR

- FORCE LOGIC™ hydraulic mini pump powers commonly available single acting 700 bar head attachments
- Compact size allows usage in confined spaces and allows for easy storage
- The pump is equipped with a connection 3/8" thread to fit most common attachments
- The pump keeps pressure level for reliable use on different applications
- Perfect solution for lifting, spreading, punching and many other applications
- Included shoulder strap for comfortable work even at heights, and well balanced lifting handle for easy transportation
- Easy and effortless usage in comparison to currently available manual pumps, and removes the need for a flat and stable surface
- Brushless motor, REDLITHIUM™ battery pack and REDLINK™ electronic deliver power, run time and durability
- Flexible battery system: works with all MILWAUKEE® M18™ batteries
